

TRU® Self-Leveling

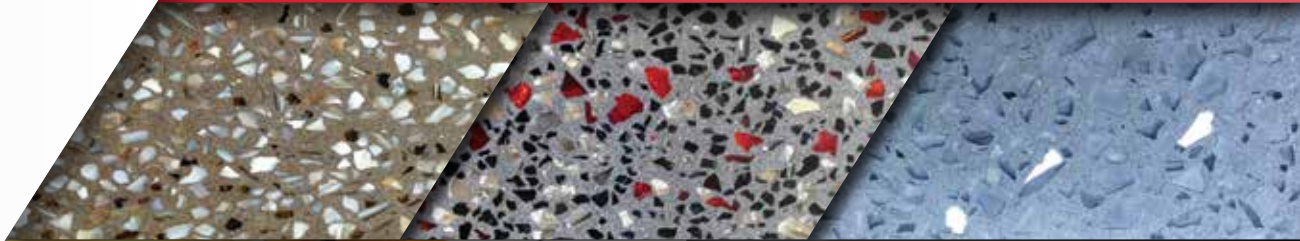

DECORATIVE *Flooring*

THE RAPID SET® TRU® SELF-LEVELING SAMPLES offer a wide assortment of colors and aggregate options for decorative floorings. These 20 samples can be further customized to your preference.

TRU Self-Leveling is an advanced hydraulic cement-based, self-leveling topping, resurfacer and underlayment.

- Ready for foot traffic in 2-3 hours
- Coat or seal in 12 hours
- Indoor and outdoor
- Durable in damp conditions
- Trace amounts of polymer; further clarity when polishing
- High strength (3000 psi in 4 hours, 5000 psi in 24 hours)
